

Sleek and stylish single gas spring monitor arm

The iiyama DS3001C-B1 is a desk mount (grommet or clamp) for flat screens up to 27". Using the arm guarantees you gain additional space on your desk and the cable management system helps to keep the workplace tidy. But more importantly, offering broad adjustment capabilities including tilt, swivel, height and rotation, the arm makes sure you can easily adjust the screen position to your preferences assuring ergonomic body posture.

4K

UHD resolution (3840x2160), better known as 4K, offers a gigantic viewable area with 4 times more information and work space than a Full HD screen. Due to the high DPI (dots per inch), it displays an incredibly sharp and crisp image.

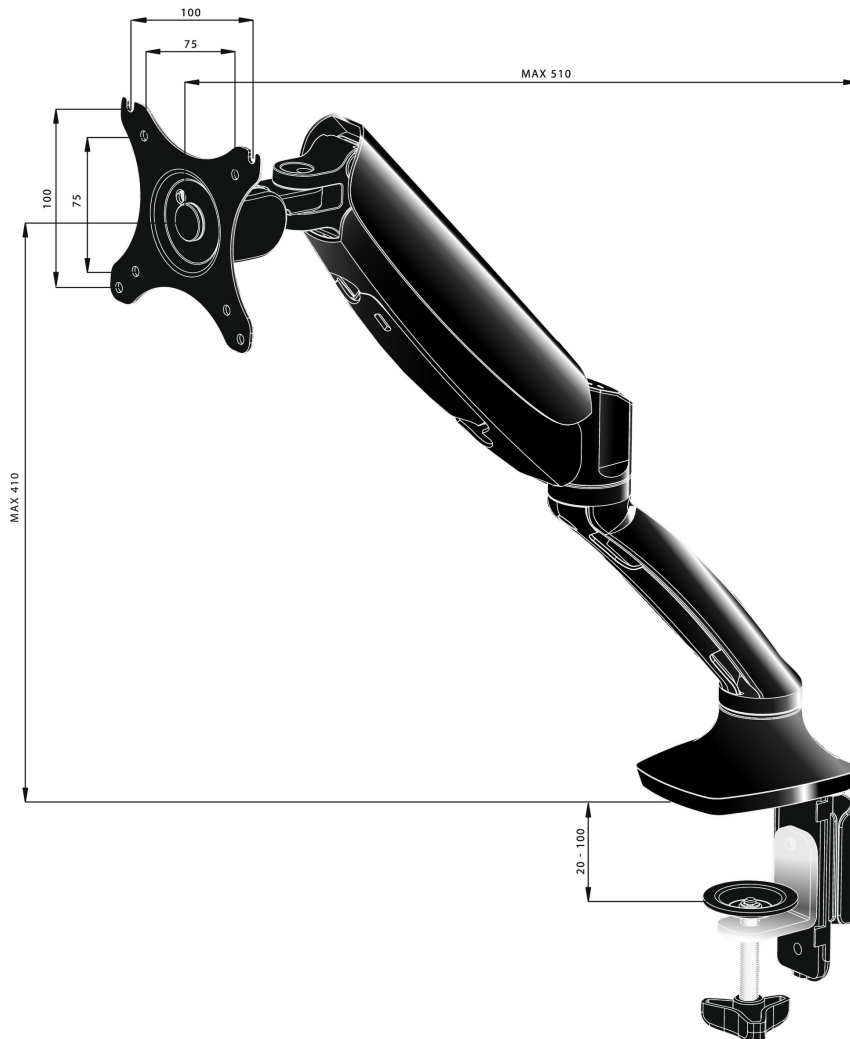

WQHD

With true WQHD 2560 x 1440p resolution your monitor is ready to display high definition images. This means you can accommodate more information on your screen, i.e. over 76% more in comparison to a 1920 x 1080 monitor.
